To **Board of IMAF-Europe**

Dear Chairman,

We have done our utmost to remain part of IMAF-Europe. However, we feel lost and isolated. We don't feel like we're participating or being involved. We see a lot of publicity on social media, but our Rolf Coolen doesn't seem to be participating.

Rolf means a lot to us and has meant a lot to Europe. Without him, there would have been no organization for a long time.

It is for this reason that we amicably renounce our membership of Europe.

May we meet in friendship on the tatami.

Good luck.

Best regards

Dirk Klok
